

Norwegian-style space invaders pullover

This is a modification of the 135-43 Ivalo pattern by DROPS Design, a jumper with round yoke and Norwegian pattern in DROPS Karisma. Part of the norwegian-style pattern is replaced by two sets of space invaders.

Knit the pullover as described in the original pattern until you start with diagram M.3. If your size requires an even number of repetitions of M.3, then simply alternate between diagrams M.3.a and M.3.b below instead. If you need an odd number of repetitions, then in the last repetition, which will be diagram M.3.a, replace the rows marked with X by M.3.c. This will ensure that you don't end up with an invader with one arm up and one arm down.
